

Wafish.com is a non-profit website that unites fellow anglers from Washington State. The site was founded by Jordan Doucet in 2008. The purpose of the site is to share fishing tips, techniques, stories and reports for Washington fishing. Members have access to Professional Tips covering Bass, Saltwater, Local Rivers and Lakes. Wafish.com is a family oriented site that is a great resource to make all of our fishing experiences better.

We are holding an open bass tournament on Lake Washington December 5th, 2009. The purpose of the event is to raise money for Wafish.com. The money generated through the event will help fund the websites operating expenses.

We would be grateful if you helped in sponsoring our event. We are seeking donated items such as fishing tackle, rods, reels, sonar electronics, fishing line, and gift certificates to help generate money through a raffle. In exchange for donated items we would be willing to advertise your company on our tournament flyer, verbally express gratitude to your company at our event, and display a banner that you would provide at our event. In addition on our part, we would be glad to distribute any flyers, catalogs, or business cards that you would provide.

Donated items along with any Literature/Banners can be mailed to:

1202 131st St. E.
Tacoma, Wa 98445
Attn: Chad Simon

Please feel free to call me with any questions.

Thanks,

Chad Simon
